## TOWN OF SUFFOLK.

Annual Session of the Portsmouth Baptist Association.

The Body Called to Order by Rev. A. B. Dunnaway, of Norfolk—Anti-Liquor Committee Appointed—Two Approaching Marriages—Four Houses Burned.

(Special to Virginian-Pilot.)  
Suffolk, Va., Sept. 25.—The Baptist Association is here. A few of the members arrived last night, many more came this morning and others will follow to-morrow.

The association was called to order at 10 o'clock this morning by Dr. A. B. Dunnaway, of Norfolk, who is moderator.

ADDRESS OF WELCOME.  
The local church being pastorless, the address of welcome was made by Rev. H. A. Garby, of Richmond, who used to be pastor here. It was responded to by Rev. J. J. Taylor, of Norfolk.

Among prominent visiting Baptists belonging to other associations, who are present, were noticed: C. J. Thompson, State historian, Lynchburg; Dr. A. B. Dickens, editor of the Religious Herald, Richmond; Dr. C. J. Jones, Danville; Prof. W. B. Winston, Richmond College.

OFFICERS ELECTED.  
The following officers of the association were chosen: Dr. A. B. Dunnaway, Norfolk, moderator; W. F. Fisher, Portsmouth, vice-moderator; Dr. G. W. Rawls, Carversville, clerk and treasurer; Rev. J. D. Hart, Petersburg, historian.

It was decided that lady missionary societies can meet at the same time as the association. This was made possible because a resolution adopted last year, asking the ladies not to, was rescinded.

THE LIQUOR QUESTION.  
The principal discussion of the day came over the question as to whether persons who sell or make intoxicating spirits can retain their church membership. All the talk was brought about when a last year's report was presented.

Those who took part in the discussion were Revs. J. P. Dean, D. D. Windsor; M. E. Broadbent, D. D. Mill Swamp; W. F. Fisher, D. D. Portsmouth; J. M. Pilcher, D. D. Petersburg; J. E. Jones, South Quay; V. Anson, Norfolk.

COMMITTEES TO SEE THEM.  
The association did not today decide whether a man can sell or make liquor and still be a good Baptist. There was appointed in each church where there are such members a committee, whose duty it shall be to wait on the persons in question and persuade them, if possible, to abandon the calling.

There are five churches out of eighty composing the association which have members who handle ardent spirits. The sentiment of the association seems against liquor, but they don't like to dismiss good members.

There were lots of reports and other routine work that wouldn't be interesting to the public.

INTRODUCTORY SERMON.  
Dr. H. W. Battle, of Petersburg, at 8 o'clock this evening preached the introductory sermon.

Here is the order of services for Wednesday:  
9 to 11—Sunday School and Bible Reading.  
11 to 1—State Missions.  
3 to 4:30—Woman's Work.  
4:30 to 5—Temperance.

Dr. Battle will preach at the Presbyterian Church Wednesday evening at 8. Dr. Taylor at the Christian Church, and Dr. R. B. Garrett, Portsmouth, at the Methodist.

TWO COMING MARRIAGES.  
Cards were sent out to-day for the marriage of Miss Lillie Bell, daughter of Mrs. Maggie B. Gardner, to Mr. John Calvin Neils, Jr., on Wednesday afternoon, October 3. The ceremony will be performed at the bride's home, No. 92 Main street. After the honeymoon Mr. and Mrs. Neils will be at home in No. 5 Hill street, beginning October 15.

The groom-to-be is assistant passenger and freight agent of the Norfolk and Western road at the Suffolk station. The bride-elect is a well-known operator in the Nansemond Telephone Company's central office.

WEDNESDAY WEDDING.  
At the bride's home, near Everett's, to-morrow, Mrs. Nannie Riddick, nee Gay, relict of the late Bailie Riddick, will be wedded to Mr. George McClenney, who lives near Myrtle. The prospective bride, a pretty young woman, was a daughter of the late George W. Gay.

WHAT A COMBINATION DID.  
A boy, a cigarette and a match have brought four of George E. Pitt's out-buildings to ashes. Mr. Pitt lives near Chukatauck. He thinks the blaze was a result of the combination named. The houses were two barns, a crib and stables, together with \$100 worth of tools, hay, corn and other contents. Several horses came near perishing. Loss, \$1,200; no insurance.

BOX ELDER DEMOCRATS.  
A Bryan Club was organized last night at Box Elder with the following officers: J. K. P. Daughtrey, president; Jesse Copeland, vice-president; L. J. Daughtrey, secretary; E. C. Gentry, treasurer. President Daughtrey says they expect to have 200 members before election day.

STREET PARADE.

## BERKLEY NEWS AND ADVERTISEMENTS

### NEARING COMPLETION.

The Improvements at Ferry Wharf are Almost Finished.

Mr. Samuel Brothers Falls Nine Feet and is Painfully Injured—Right Side Paralyzed—Goes for Richmond—SunBrothers' Clown Off Into Trouble.

The improvements on Chestnut street ferry dock are nearing completion. The fencing about the entrance will be completed this week and a large force is engaged laying the decking to the bridge. If nothing unforeseen takes place to retard the work, it will be completed within two weeks.

A PAINFUL FALL.  
Mr. Samuel L. Brothers, while engaged in repairing the Sanford and Brooks blowing machine on W. E. Thomas & Co.'s railway, fell yesterday morning about 9:30 o'clock from the upper deck of the machine across one of the boats on exposed timbers, a distance of about nine feet, landing on his left side. Within a few moments later he was unable to move himself and was taken to his home on Liberty street, where he was attended by Dr. F. M. Morgan. It is thought that none of his limbs are broken, but he will be confined to his home for several days.

MR. DALBY'S CONDITION.  
Mr. Charles Dalby, of South Norfolk, when visited by his father, Mr. John P. Dalby, yesterday afternoon at St. Vincent's Hospital, Norfolk, showed signs of improvement and recognized his father, but was still unable to speak. An experiment by the physicians show that he is paralyzed in his entire right side, as a result of the shock received from the falling piece of timber at the navy yard last Saturday morning. His condition is quite a blow to his wife and father, of this place.

OFF FOR RICHMOND.  
The State Fire Department has received its uniform and have concluded all arrangements to leave this morning via the Chesapeake and Ohio for Richmond, to attend the State Firemen's Association. There are 24 members of the company who will go to Richmond, all of whom will wear their handsome new suits, which will guarantee the fire-fighters of Berkley a good showing in the grand parade.

TROUBLES OF A CLOWN.  
Mr. John P. Dalby, one of the town's well-known citizens, rendered a heavy but not fatal blow to the Sun Brothers' show yesterday morning, when he broke a loaded horse-whip over the clown's head while passing his place on Chestnut street. The clown was following the street parade in a conspicuous costume, catching at people and chasing little boys, thus attracting attention and causing a great deal of amusement for the street spectators.

When he started past Mr. Dalby, who was leaning on his fence watching the parade as it proceeded up the street, he stroked his hand across Mr. Dalby's face. The latter retaliated with the butt end of a loaded horse-whip across the clown's head, breaking off about ten inches of the whip.

WHERE IS "HOGGIE"?  
A colored boy, known to the stockyard men as "Hoggie," received payment and ferrage from the stock yards yesterday morning and started to Portsmouth with a drove of cattle. When the cattle were some distance down Liberty street the boy disappeared and has not been seen since. The officers are on the lookout for him, and think that they will catch him shortly, as his identity is well known. He has five fingers on his left hand.

HEARD IN PASSING CIRCLES.  
The Sun Brothers, who visited the town about a year ago, gave two exhibitions yesterday, afternoon and evening, to very large audiences, on the vacant block between Twelfth and Thirteenth streets. The performance was superb and gave general satisfaction.

The lawn party at the home of the Misses Winborne, on Chestnut street, last evening for the benefit of the Main Street Christian Church, was well attended, despite the cool weather.

Mrs. Capt. J. W. Young, of Oakdale, is continually rehearsing for the entertainment she is to give Tuesday night, October 2d, at Odd Fellows' Hall, South Norfolk, for the benefit of the

They will start from the show grounds about 10 o'clock.

## 30 DAYS TRIAL FREE

Marvelous Nerve Force Imparted by a New and Startling Discovery  
---Every Weak, Nervous, or Enfeebled Man Should Give It a Test.

Will Be Sent Free on Thirty Days Trial so All May Experience the Wonderful Sensation of Restored Vigor—Without Cost.

PROF. A. CHRYSTAL.

A well known professor has made the fortunate discovery that what has heretofore been known as impotency or lost manhood is due to paralysis of the nerves. As it requires a vigorous condition of the nerves to control the muscles, the professor has found a wonderful power that instantly awakens the nerves and thus restores complete muscular strength. He says:—The marvelous power exerted by recent additions and improvements to my electric belt and appliances induces me to send it on 30 days free trial, so certain am I that it will cure and that the wearer will gladly pay the small price asked after the 30 days trial.

To men who have battered their stomachs with drugs I want them to exercise their judgment and consider that electricity is the greatest power on earth. Its unseen current puts life and force into whatever it touches. The constant steady life extended by my new Electric Appliances gives instant relief and never fails to cure Rheumatism, Backache, Kidney trouble, Early Decay, Night Losses, Lack of Nerve Force, and Nervous Debility, Underdevelopment and Lost Vitality. You may not have faith in it now, but wear it for 30 days and you will then realize why I have such confidence in it as to send it to you on trial.

I receive the most wonderful testimonials day after day. Rev. S. B. Stephens of Derry Station, Westmoreland, Co., Pa., says it cured him of a terrible disease, that had deprived him of happiness. His nerves were in a bad condition.

John R. Bardsley of Gunnison, Colo., says the belt and suspensory have entirely cured him and he will gladly explain what his trouble was to all who care to enquire as he is very much enthused by his recovery.

S. L. Fry of Redding, Iowa, says the belt saved his life and he will gladly tell other sufferers his experience. Thousands of others write in the same grateful manner and should the reader desire to write to any of these gentlemen please send a stamp for reply.

Do not fail to write at once to Prof. A. Chrystal, 1432 Post Office Block, Marshall, Mich., as he is anxious to have every man wear his new and marvelous belt and suspensory for 30 days and try it fully before spending a cent for it. Remember, he is giving the belt a trial if you are not perfectly satisfied return it to us. It costs you nothing to try it. Write to-day before you forget it.
